FROM THE PASTOR

It has been over twenty years since the Disney movie *Lilo and Stitch* showed us the importance of family in one's life with that endearing line, "Ohana means family. Family means nobody gets left behind or forgotten." In the waters of Holy Baptism, as the Word of God is spoken over us, you and I are brought into the family of God; our sins are washed away and we are given a new identity in Jesus.

And while we are a family, the family of believers in Jesus doesn't go by the name "Ohana", rather together we bear the name, "Church." What does it mean to be the "Church"? There is a song in our children's hymnal, *All God's People Sing* that tells us, "**We Are the Church.**"

I am the church! You are the church! We are the church together! All who follow Jesus, all around the world! Yes, we're the church together!

The church is not a building; the church is not a steeple; the church is not a resting place; the church is a people.

We're many kinds of people, with many kinds of faces, all colors and all ages, too from all times and places.

And when the people gather, there's singing and there's praying; there's laughing and there's crying sometimes, all of it saying:

At Pentecost some people received the Holy Spirit and told the Good News through the world to all who would hear it.

I count if I am ninety, Or nine or just a baby; There's one thing I am sure about and I don't mean maybe;

I am the church! You are the church! We are the church together! All who follow Jesus, all around the world! Yes, we're the church together! On Sunday morning or Saturday evening we may say, "I am going to church," referencing the building where we will go to worship and gather with our friends and family, coming together with fellow believers to gather around those identifying markers of the "Church" (capital C) where God's Word is rightly proclaimed and His Sacraments of Holy Baptism and the Lord's Supper are administered according to Christ's command. It is a blessing and privilege to be able to go or come to church (small c) for worship.

But here is another thought. Since our baptism brings us into the Church, the entire assembly of believers in all times and places, wherever we are with others who believe in Jesus, the Church is there. Meaning, the Church is more than Sunday morning, really it is so much more. Jesus himself makes this point, "*Wherever two or three are gathered in my name, there am I in the midst of them.*" So from Sunday morning, to bowed heads at the dinner table, to kids kneeling on the athletic field or praying on the court, to our Bible studies and gathering with friends, to hospital bedsides, to our celebrations and the times we cry together, wherever we might gather, believers in Jesus are the Church.

And as the Church, we love and care for each other, we encourage, we forgive, we help and assist, we sacrifice and give, we show patience and understanding; as the Church we live out our faith sharing and demonstrating all the good things that come from God's Word, for that is where we learn how to live as those who are members of God's family, members of the Church. And as members of the Church, those who are a part of the household of God, we share the grace filled message of God's love and forgiveness in Jesus for everyone. For it is saving faith in this message of Jesus, that makes us a part of the Church together.

IMMANUEL LUTHERAN SCHOOL

Partnering with Families to Prepare God's Children for the Future

ILS Olivette's Vision is to lead students to seek and know their identity in Christ, develop a continual love of learning, and live fully redeemed lives serving others.

ENCOURAGING THE FRUIT OF THE SPIRIT

Our school year is going well! Students and teachers are building relationships while diving into various subjects, activities, sports and learning God's Word. One of the special ways we do this as a school is when we meet periodically as Faith Families. All students from our Junior Preschool (ages 2 and 3) through 8th grade are grouped together into a Faith Family with a staff member guiding them. There are about a dozen students in each Faith Family. A special Bible lesson or story is introduced, then families discuss and complete an activity together. It is a blessing and a sight to see!

As God works in the lives of our children every day, it is wonderful to witness when we meet as a family. This year, we are focusing on the Fruits of the Spirit. Our faculty chose this because we wanted our students to be engaged with one another in a way that encourages and emulates Christ's joy. The apostle Paul shares instructions on how to make this happen in Galatians 5: 22-23. It reads, *"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law."* These traits the Holy Spirit pours out on us gives us opportunities to be a witness of Christ to others.

Imagine a little one excited to spend time with a 6th grader who helps them color, guides them in an activity, or prays and sings a song with them? The smiles and care exchanged during the time together creates a positive culture. The Holy Spirit works in the hearts and minds of our students. Another example is when Faith Family members pass each other in the halls and give a quick hello or high-five. It's a blessing to watch the community being built throughout the various age levels. Older students become role models for the younger ones, who will one day demonstrate the same kind of leadership when it's their turn to do so.

We know there will be struggles within our sinful nature that will affect our school culture. Satan is always trying to attack and deceive us. When this happens, we can be thankful to our Heavenly Father for forgiving us and providing us a way out with His loving grace.

Throughout the year, our Faith Families will meet and learn together. This special time allows our students to hear God's Word and practice it. Just like a garden needing attention, some good soil, and water, the Holy Spirit gives us what we need to grow in our faith and relationship with our Lord and Savior. What a blessing to know He cares and provides us with the fruit to share with others.

In His Faithful Service,

Christine Nixon

IMMANUEL SCHOOL ALUMNI NEWS

Henry Mohrmann, ILS Class of 2020, graduated Summa Cum Laude from Parkway North High school on May 20, 2024. Henry received many awards both athletically and academically while in high school. The following are 2 of them announced in April at Parkway North's Honor Assembly:

DONNELLY-EDELMAN-MONTGOMERY AWARD

"The Donnelly-Edelman-Montgomery Award is given annually to a senior boy involved in athletics with outstanding character and leadership abilities. This award was created by the coaching staff in 1980 and the recipient is chosen by a vote of the head coaches each year. Henry has demonstrated excellent leadership as a member of our football, basketball, and boys' volleyball teams. Over Henry's senior year, he was recognized by the MFCA as 3rd Team All State Class 4 Tight End, Class 4 District 4 All District Team, Class 4 Academic All State, and SLMFCA recognized Henry as 1st Team All Tight End. He was also recognized as 1st Team All-Conference Tight End for Junior and Senior years. He was a participant in the American Cancer Society All Star Game and has signed with Washburn University to play football next year. Along with these accomplishments, Henry has also shown great leadership and high character in the classroom and the North High community."

TRI-ATHLETE AWARD

"The Tri-Athlete Award is given annually to any student who earns a varsity letter on three different athletic teams in one school year. At a time when athletes are often pressured by outside teams to specialize in a sport, this award represents dedication to North High and the athletic ability it takes to perform at a high level in multiple sports. We currently have over 500 students in our athletic program, but only three individuals have earned a varsity letter in three different sports this year. Thank you for the commitment you have given to our athletic program. Henry played football, basketball, and boys' volleyball."

If you graduated from Immanuel Lutheran School, or are the parent of a graduate, please let us know of any significant events or honors bestowed while in high school or beyond. You may send a printed description, picture, and/or link which includes the pertinent info to ILS secretary, Ksenia Mirly at kmirly@ilsolivette.org or to Rita Eckert at anchor@immanuelolivette.org. The information will be posted on the new "ILS Alum News" display board in the school main hallway and included in the subsequent issue of *The Cross Connection*. Don't be shy! Help us celebrate our school and our graduates!

HONEY SUNDAYS

The Dakota Boys & Girls Ranch is a Christ-centered residential treatment and educational center for children ages 10-18 who have experienced major trauma in their young lives. The Ranch provides best-in-class therapy and care to help these children heal from what has happened to them, and become their best selves.

Immanuel Women's Guild will host two Honey Sundays to support Dakota Boys & Girls Ranch. On Oct. 13 and 20, orders for 11-ounce bottles of honey at \$10 each can be placed. The Ranch will mail the honey directly to purchasers. All proceeds go to the Ranch, so by purchasing honey, you will be helping change the life of a child. Thanks in advance for your "sweet" participation in this mission project!

“Newness of Life” – LOC Summer Retreat and Baptism

We were buried therefore with him by baptism into death, in order that, just as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life.
 -- Romans 6:4

“Newness of Life” is the theme of the 2024 LOC Summer Retreat. Over a hundred people gathered during the weekend of 8/9-8/11 for the annual event. We were blessed to have Jim Found, DCE, as our

speaker. In 3 sessions started Friday evening, we learned about the New Life, given to us as a gift through baptism. As we walked through many Bible passages, we discussed “Walking in Newness of Life”, the battle between the old and the new, and many practical ways of depending on God’s promises and letting the Holy Spirit work in us.

After intense listening and discussion sessions, the gym was filled with laughter as we took up the basketball shooting challenge to get refreshed.

The youth group acted out skits to show us what they have learned about our sinfulness and how the Holy Spirit transforms us and produces the fruit of Spirit in the Newness of Life.

As we sang the song “Footsteps” before the Sunday service, the whole congregation got up rejoicing, clapping, singing and taking “footsteps” around the gym. The retreat concluded with the worship service.

The weekend was that of a spiritual feast. Everyone went home with great anticipation for our next retreat.

“Newness of Life” is also a highlight as we stepped into September, when 11 brothers and sisters were baptized and welcomed into the LOC family on 9/8. It was a day of great joy to witness the amazing work of God in the spiritual births of

11 new-born Christians, as they shared how God had walked with them and talked with them in their spiritual journeys through many brothers and sisters. May our risen Lord continue to shine His light through us as He walks with us in the newness of life.

COMMUNITY CARE TEAM

HOMELESS SHELTER RELOCATED

A new home after 43 years for Sts. Peter & Paul Shelter in Soulard

Since buying the Community Campus (formerly St. Louis-Little Sisters of the Poor St. Jeanne Jugan), 3225 North Florissant Avenue in April, the Peter & Paul team has been busy with repairs, renovations, and hiring staff. The primary goal: Preparing to move the 60-bed emergency shelter from Soulard to temporary quarters on campus while the permanent shelter space is constructed. The men were moved to the Community Campus on July 16th.

"Our vision of the Community Campus goes far beyond shelter. Our staff has been incredibly supportive of the guests during this transition. Change is hard on anyone and when you are already in a state of crisis, it's even more so," said Shelter Director Teri Dunn, who has been overseeing the shelter since 2019. "Now that we are in the new space, we see so much progress with the overall outlook among the guys."

"The Jugan Shelter, formerly the Soulard Shelter, is on schedule to begin opening more beds in September and reach its final expanded capacity of 100 men by January. The shelter is named after Jeanne Jugan, the founder of the Little Sisters of the Poor, an order of nuns who worked on the campus site for more than a century serving those living in need. As we embark on the construction of the shelter space, we are simultaneously planning the expansion of other PPCS programs and working to build strategic partnerships to provide much needed transitional and supportive housing options. We will serve not just our clients, but other nonprofit agencies and local community members working toward a better tomorrow."

"With more than 4,000 people on the waiting list for subsidized housing through the St. Louis Housing Authority, not to mention the nearly 2,000 people who are homeless and isolated in St. Louis, we know that creating more affordable housing options is the right thing, the humane thing to do," said PPCS CEO Anthony D'Agostio. "Homelessness and housing insecurity are symptoms of a much bigger societal issues. Together, we will prevail helping people to a stable future."

New Jobs Thanks to Slate

"PPCS is launching a robust jobs program to give our clients a hand up. With a **\$450,000 award from SLATE** (St. Louis Agency on Training and Employment), we will be providing living wages for at least 100 workers over the next year. Participants in our work incentive program will not only receive living wages, they will receive job training and the chance to be promoted and receive bonuses based on the merit of their work. The work will focus on community beautification projects in the neighborhoods surrounding the Community Campus and in other areas with reported high visibility needs. The goals are to help men who are homeless build the skills they need for a long-term employment success, while paying them enough to begin saving for permanent housing," said PPCS CEO Anthony D'Agostino. The program begins in October and will be funded for a full year. The award is one of the final disbursements of federal COVID ARPA (American Rescue Plan Act) funds through the City of St. Louis.

BOARD OF STEWARDS

1ST MONTH OF IMMANUEL'S FISCAL YEAR - 2024/25

During the Transfiguration, "(Peter) did not know what to say, for they were terrified." (Mark 9:6) But the disciples' terror would soon be turned into joy, for when Jesus is with us, there is no need to fear. He loves us and cares for us and will never abandon us. That assurance is the basis of all generosity, for those who have been set free from worry can experience the joy of giving.

NEW SUNDAY MORNING ADULT CLASS

Immanuel has another option available for adults on Sunday mornings. Families of Faith meets in the East Building extended care room. It is for adults of all ages but does focus on parents and grandparents of school age children. It will usually be led by Pastor Karg with occasional guest leaders. Check out Pastor's video clip for a peak at what will be going on at Families of Faith! <https://www.youtube.com/watch?v=ovI9wMRCTZY>

SEMINARY GIFT COLLECTION

Immanuel Couples & Singles Club will once again sponsor a fall collection for the Concordia Seminary Resale Shop. Please place any new or gently-used household items, toys, hats, scarfs, gloves, etc. in the receptacle in the atrium between Nov. 1 and Nov. 24.

GOD'S WORD IN HEART LANGUAGES

If you were not raised as an English-speaking person, but spoke some English, would you appreciate reading about Jesus and learning about the Gospel in your heart language? That is the thought that Immanuel's Outreach Committee had when they decided to order Bibles, Catechisms, Bible Story books, and other materials from Lutheran Heritage Foundation in multiple languages. These books are being placed in the East Building and in the atrium to be available to Immanuel's guests and members who have a different heart language than English.

So far, books in Spanish, Chinese, Ukrainian, and Tamil (Indian) are provided. Immanuel Women's Guild gave a donation to Lutheran Heritage Foundation to cover their cost. As interest and need increases, more books can be obtained. Our prayer is that they are taken, read, and believed.

CRAFT BAZAAR & LUNCHEON

Bring your friends and family!

Saturday, Nov. 2, 9:30 am – 1:30 pm

Handmade and hand-painted decorations for fall and Christmas

Unique and useful gift items

A-la-cart luncheon served 10:30-1:00

The Bazaar group has been busy crafting on Wednesday mornings, but contributions from Immanuel members are greatly appreciated. Please bring any handcrafted items to the fellowship hall beforehand or have them in the school gym by 9:00 on Friday morning, Nov. 1. Food items should be delivered to the Bakery Booth by 9:00 am on Saturday, Nov. 2.

All proceeds from the Bazaar and Luncheon benefit a variety of foreign missions and Immanuel projects. PLEASE COME! Our Immanuel family support is vital to our success.
